Introduction

- These rules have been adopted to permit the enjoyment of River Bend RV Resort by all those authorized to use it. The purchase of a condo lot or UDI (Undivided Interest) Ownership, hereinafter referred to as the Owner (ship) shall constitute acceptance of those rules and regulations and shall acknowledge a willingness to abide by them.
- While nobody likes rules and regulations, they are necessary for Owners and members of River Bend RV Resort to safely maximize their enjoyment in the use of the facilities. What is good for one person must be good for all. This is necessary in order for harmony to exist.
- The prompt payment of ownership fee/association dues and/or assessments is necessary for you to be assured of unlimited access to River Bend RV Resort.

Purpose/Precedence

It is the purpose of these rules to protect our owners' right to:

- Quiet and enjoyable use of their property within the Condominium Association;
- Have the common areas, water park complex, Benderz Bar-N-Grill and all other amenities controlled for the enjoyment and safety of all;
- Have a balance of order in the development and improvement of Ownership lots to enhance the overall beauty of River Bend RV Resort.

These rules and regulations supersede all previous documents and are developed in conjunction with the Declaration of Rubidell Resort Condominium, state law and county ordinances. If an owner has any concerns regarding these rules and the compliance therewith, please put those concerns in writing and send them to the Board of Directors of the association at W6940 Rubidell Road, Watertown, WI 53094.

Ownership/Identification

- A valid River Bend Park issued picture I.D. and membership card must be shown to the security guard or electronically scanned to gain entrance to the park.
- Any owner who is delinquent in their maintenance/membership dues and/or assessments will not gain vehicular gate entrance and will be denied all services. This applies to all who are listed as associate members listed for that lot.
- A River Bend Park issued membership picture I.D. card will be issued to the primary owner of record, associate members and qualifying family members. Issuance to an associate member of at least 16 years of age may be made for good cause. The primary owner must submit a written request for the associate owner to obtain a gate entry I.D. card. Any questions regarding this must be directed to the park management. There is a fee involved for replacement membership identification cards.
- NOTE: If a condo lot owner is delinquent in payment on their association dues, assessments and/or fines more than 30 days, the association has the legal authority to proceed with filing a lien on the property as noted in the Rubidell Resort Declaration of Condominium, Article V Section B.7 and Chapter 703.165 of the State of Wisconsin Administrative Code.

- Once a lien has been filed, the condo lot owner will have 30 days in which to retrieve any personal property from said lot. Any property NOT retrieved within 30 days or having made other arrangements with the management for said property, will become the property of River Bend RV Resort/Rubidell Resort Condominium Association.
- Day use owners and guests must be 16 years of age or older to enter the resort without adult supervision during the hours of 8 a.m. until 11 p.m. No one under 18 will be allowed to remain in the resort overnight without a member that is 18 years of age or older.
- Single primary owners may designate in writing a request to have an I.D. card issued to a “significant other.” It will be the responsibility of the member to retrieve the I.D. card when that person is no longer authorized to access the resort.
- Beginning in 2008, primary condo lot owners shall have the option to purchase an “Associate Membership” for their biological parent(s) under their ownership for a one-time fee of \$100 per parent. The primary owner must be current on all dues, assessments, and fines.
